

Lincoln Electric Partners with Lafferty

FOR IMMEDIATE RELEASE

February 28, 2013

(Concord, NC) – Lafferty Motorsports is pleased to announce that Lincoln Electric is the latest in an expanding number of partners to join forces with the team as well as with hit national television show “Chris Lafferty’s Motorsports TV.”

Lincoln Electric was founded in 1895, and over 100 years later is the global manufacturer of the highest quality welding, cutting and joining products on the market. Be sure to visit www.LincolnElectric.com to check out the vast array of products to serve whatever need you may have!

The partnership will include appearances on the NASCAR Camping World Truck that Lafferty will drive in select races that will be announced soon; as well as Lincoln Electric making their presence felt on upcoming episodes of “Chris Lafferty’s Motorsports TV.”

ABOUT “CHRIS LAFFERTY’S MOTORSPORTS TV”

“Chris Lafferty’s Motorsports TV” is hosted by NASCAR driver Chris Lafferty, who brings new life to learning cool things in the motorsports community. With the knack to say it in ways that those young and old alike can relate to, this is sure to be the sought-after performance educational television show.

You’ll get an inside look at the world of racing and see what only the privileged few have ever seen. Travel with Chris through his race shop and get ready for a mind overload of info! He will visit manufacturers who have been instrumental in motorsports as well. The show will help you learn things that most of the racing community keeps quiet!

In addition to Lafferty, the show also stars his daughter Hannah who hosts “Hannah’s Corner,” a segment for young adults that is a bit lighter yet oh so very informative. Women and children alike love Hannah because she is a positive, well-spoken role model.

Filming is held in the studio as well as on site at some of your favorite race tracks and race shops. Special guests, including big name NASCAR and racing stars alike, will also stop by to visit the show. The show is fast-paced, full of eye candy and information.
